Project Consultant Manager (f/m/d)

Location: Vienna, Austria **Full-Time Employment**

About Global Rail Consulting

Global Rail Consulting is a young but fast-growing company working in different domains of international Railway Infrastructure Management. Our focus is on bringing new technology and digitalisation to the railway industry in order to support the optimization of the railway asset management.

Our Vision

We want to passionately contribute to the success of the railway system. Our mission is to ensure the solid and professional set-up and growth of the railways as the most sustainable and environmentally friendly transport system. We are excited to be part of this system.

Your role as Project Consultant Manager

- Establish and maintain processes to manage scope over the project life cycle, setting project quality and performance standards, and assessing and managing risk within and across multiple projects
- Develop detailed project plans to monitor and track progress
- Manage changes to the project scope schedule and costs using appropriate verification techniques
- Create and maintain comprehensive project documentation
- Co-ordinate internal and external resources, ensuring projects remain on track
- Establish and maintain working relationships with key customers and stakeholders
- Ensure project progress adapting scope, timelines and budgets for changing requirements
- Develop and maintain partnerships with outside stakeholders
- Managing quality and efficiency improvement initiatives for projects
- Report project outcomes and /or risks through the appropriate management channels

Your profile

- University degree in the engineering disciplines
- Minimum of 4 year's work experience as project manager
- You are fluent in spoken and written English and German, a third language is a bonus
- Frequent international traveling
- You are able to work structured and independently
- You have analytical thinking skills
- You strive to be solutions oriented
- You enjoy working in a growing, international team

Our offer

- With us you will be part of a global, rapidly growing team within a global system house in the railway sector, which stands for new and innovative ways in the area of optimizing the railway track
- With us you will receive a competitive market-compatible gross salary which will be adapted according to your qualification and relevant experience
- A bonus package will also be offered
- With us you can help shape your career, meet short decision-making paths, a tolerant and open community that values your performance and takes your personal needs into account

What to expect from Global Rail Consulting

- We believe that we can only evolve and thrive as a company with a highly diverse mix of employees and by ensuring a healthy work-life balance
- We have a strong culture of collaboration where Team Spirit, Accountability, Passion, Pioneering Spirit and Performance are key
- We will encourage you to take on new responsibilities, work across different functions, become involved in new projects, as well as completing international assignments
- In return, we have hybrid working option (headquarters, home office) excellent development programs that will help you achieve your career goals and reach your potential.
